Petronas - 70982M12EU - SYNTIUM X 5W30 C2-C3 RN17 4X5 LITROS

PETRONAS Syntium X 5W-30 is a fully synthetic engine oil designed for modern passenger cars, SUVs and vans using gasoline and diesel engines. It provides superior protection from wear and sludge for maximum engine efficiency leading to less fuel consumption. Its superior resistance to oxidation grants stable performance for the entire drain interval.

Viscosity
5W-30
Industry Specifications
ACEA C2,C3
ACEA A5/B5
API SP

OEM Approvals
PSA B71 2290

OEM Performance
FCA 955535-S1
