Petronas - 70982M12EU - SYNTIUM X 5W30 C2-C3 RN17 4X5 LITROS

PETRONAS Syntium X 5W-30 is a fully synthetic engine oil designed for modern passenger cars, SUVs and vans using gasoline and diesel engines. It provides superior protection from wear and sludge for maximum engine efficiency leading to less fuel consumption. Its superior resistance to oxidation grants stable performance for the entire drain interval.

Viscosity

5W-30
